

To God be the Glory!

For 21 years I have served as your senior pastor. Very soon, that will be ending. On January 14, I will preach my last sermon before I retire to begin a new season in life.

When we arrived at LPC for the very first time, I remember saying to Beth, "I think we've found the Promised Land!" Those words turned out to be true. From the very first day, you embraced me and my family and made us feel welcome. What a joy it's been to share the Gospel and our lives with all of you!

At the end of the day, the test of pastoral leadership is whether you left the church better than you found it. Looking back, I am amazed at all the LORD has accomplished in this congregation. Here are some of the major milestones:

Student Ministry; construction of the Atrium; renovation of the old fellowship hall; remodeling of the sanctuary and completion of the upstairs kitchen.

- Expanded the mission involvement of our church. We built churches in Mexico, a Christian school in Kenya, drilled wells in Africa and sent short-term mission teams to respond to floods and hurricanes. In addition, we started our feeding ministry, Angel Tree and donating baby items for women with crisis pregnancies.

MEMBERS OF THE LPC QUILTING GROUP PRESENTED PETER AND BETH LARSON WITH THIS BEAUTIFUL QUILT TO CELEBRATE THEIR 21 YEARS OF MINISTRY. EACH STAR REPRESENTS A SCRIPTURE AND THEME FROM THE BIBLE.

- Provided financial support for the Five-Point-Seven Church in Detroit to build an outdoor basketball court.

- In 2013 we completed a \$465,000 project to restore our pipe organ, install new pews and remodel the chancel of our historic sanctuary.

- Concerned by the theological drift of the Presbyterian Church (USA), we voted in 2011 to leave that denomination and unite with the Evangelical Presbyterian Church. Ninety-seven percent voted in favor of leaving which is a testimony to our faith and unity.
- In 2006 we embarked on \$3.5 million building campaign that included the new office and classroom wing; the stage area in the Ark; additional space for

- Thanks to the wise and courageous leadership of our Session, we weathered the crisis of the Covid Epidemic, which caused so much fear and disruption.
- Provided funding to Genesis EPC in Mercedes, Texas in the Rio Grande Valley to help them construct a church building.

continued on page 2

- Launched “Wednesday Nights Together,” to provide a midweek opportunity for food, fellowship and discipleship opportunities for adults and children.
- Started the annual all-church picnic, spring rummage sale and the annual missions golf tournament.
- Hired our first full-time business administrator, student ministry director and part-time children’s ministry director. In addition, we hired a summer intern to reach out to college students.
- Started a monthly prayer meeting.
- Challenged our congregation to read the Bible in 90 days and to continue reading through the Bible every year.
- Lay leadership of the church has grown significantly, with people using their gifts and engaging in ministry, including worship leadership.
- Developed a closer relationship with the LPC Preschool to make sure it is in alignment with the mission of the church and accountable to the Session.
- Expanded the role of our deacons ministry to host the receptions for grieving families after memorial services.
- Created a live nativity and open house as an outreach during Lebanon’s Christmas carriage parade.
- Resumed publication of our Advent and Lenten devotionals, written by members of our congregation.

Above all, this church has remained faithful to Jesus Christ. We have not caved or conformed to the pressure of our culture, but have proclaimed the Word of God and the truth of the Gospel -- that salvation is found in Jesus Christ alone. To God be the glory!

Your servant in Christ,
Peter

Lebanon Presbyterian Church CENSUS

Participate in the LPC Census on Sunday, December 17 (at all 3 services). The census is a tool designed to update our database with your family’s most important contact information as well as to better understand the basic demographics of our congregation. Please encourage all LPC members and attendees to participate. If you miss church on Sunday, look out for other opportunities to participate. God used a census as a part of His plan for the redemption of the world and we hope that this Christmas season God will use our little LPC census to His Glory in His ministry here at LPC.

An Overwhelming Gift

BY STEPHANIE POBLENZ

Pastor of Pastoral Care and Family Ministry

This past October, our church held its second annual food drive for Warren County Career Center. Last year, the Reach Out Team decided they wanted to “adopt” WCCC, provide the school with tangible help, and show love and support for the faculty there. This sponsorship was so impactful to WCCC that Reach Out decided to build our relationship with them again this year. As we met with one of the office directors, we were told that the food pantry was getting low again. He shared that over 1/3 of their students are on free or reduced lunch, and that often times students were taking home food not just for themselves, but for their siblings as well. With over 900 students at WCCC, this number was staggering.

Unsurprisingly, when the request was made to LPC to help fill the food pantry up again, our church family stepped up in a phenomenal way. We donated over 645 food packages! There were over 85 cans of prepared pasta, 90 boxes of Mac and Cheese, and so many other necessities. We completely filled one of the offices with all of the donations. Our Annual Women’s retreat also created over 100 hygiene kits to include as well. These kits included soaps, deodorants, and other personal care extras that the school was needing to provide for some of the students.

With both the hygiene kits and all of the food, it was a parade of boxes as we dropped everything off at the school. I even heard students in the hallway asking each other as we brought things in, “Woah, where did all of that food come from? Did someone get that for us?” One of the women in the office began weeping as boxes came in, and all of the guidance counselors came out of their offices to see what all the commotion was about. It was such a gift to be able to say to each one of these people, “Hi, we are from Lebanon Presbyterian Church, and we love you guys.”

Reach Out’s ultimate goal is to build relationships with our community that ultimately point people to Christ and His love for them. What a special gift it is to be welcomed into a public school, to care for their students and staff, and to be open about how we just want to love them because Jesus loves them even more. This obviously wouldn’t have been possible without the overwhelming support from our LPC family. Thank you for all of the support and donations. It is truly a blessing to be a part of such a generous and caring congregation.

LPC STUDENT MINISTRIES STUDENTS PARENTS LEADERS **Encounter Yucatan 2024**

BY ANDREW JOHNSON

Director of Youth Ministry

LPC's Encounter Student Ministries is excited to announce that June 1-9, 2024, our youth ministry will be heading to Xocenpich, Yucatan, Mexico, marking a continuation of our rich 80+ year relationship with this vibrant community. We'll be staying in a secure, gated complex, surrounded by the warmth and hospitality of the people we've come to consider family.

In the Yucatan, Lebanon Presbyterian Church has supported the Bethesda Medical Clinic, nursing and Bible schools, and actively participated in diverse community projects. This year, our focus is on a building project at Manahaim Presbyterian Church in Pisté, Mexico, and sharing the gospel in various villages. We're committed to making a lasting impact on the lives of those we encounter.

Ensuring the safety of our participants is our top priority. Rest assured, Xocenpich is a secure destination, far removed from any areas of concern. With our long-standing relationship and respect within the community, we are confident in providing a safe and enriching experience. In proximity to medical facilities and major cities, we are well-prepared for any unforeseen circumstances.

Who's Invited? The Encounter Yucatan Mission Trip welcomes all current 8th - 12th graders, college students, young adult alumni, and parents. Space may be limited, with priority given to current 9th - 12th graders. Don't miss this opportunity—secure your spot by filling out the application and submitting a \$100 deposit by January 7th. Participation is subject to review of application and ability limitations.

Trip Requirements: The estimated total cost per individual is \$2,000 (before fundraising and budgeted contributions), covering group airfare, food, lodging, transportation, and mission project costs. A payment schedule has been outlined, with the first \$100 deposit due by January 7th. Fundraising opportunities are abundant, ensuring that financial constraints don't hinder participation. We have scholarships available. We encourage open communication with Andrew to explore financial assistance options. Let's work together to make this a reality! Sign up using the QR code on the page!

To prepare for this transformative journey, pre-trip meetings are scheduled, emphasizing commitment from both students and parents. These gatherings will equip participants to thrive in a cross-cultural environment, fostering teamwork and cultural education.

As we celebrate our 81st year of relationship with the people of the Yucatan in 2024, we reflect on the relationships built through our ministries in the Yucatan and the times we've shared the Gospel. We are proud to carry forward this legacy and excited about the impact we will continue to make this summer.

LPC Encounter Student Ministries invites you, as a church family, to pray for support and encourage our

students on this journey of faith. The reality is that people who participate in short-term mission trips such as this one have had their hearts transformed and begin to lead lives of service back at home. We pray our Encounter Yucatan 2024 Mission Trip will be a testament

to the power of faith, service, community and God's faithfulness. Participants are invited to fill out an application using the QR code on this page!

For questions and more information, please contact Student Ministry Director Andrew Johnson at andrew@lebanonpresbyterian.org.

WONDER

Please join the Sanctuary Choir and guests for an evening of Advent Vespers on Sunday, December 10th at 5 pm in the LPC Sanctuary. Vespers is taken from Latin meaning evening. The theme will be "Wonder" as we explore with the eyewitnesses to the baby Jesus the wonder of His birth. The purpose of this service is to welcome our Savior in soliloquy, prayer and song. As the sun sets we will welcome the Light of the World.

Engage 56 had ESCAPED!

BY TRACY UNTENER

Children's Ministry Leader

During this WNT (Wednesday Nights Together) session, we've been learning about how to BREAKOUT of our ordinary lives and live EXTRAordinary ones for Jesus. We've studied some truly great escapes like: Daniel escaping the lions, David escaping Saul, Peter escaping from prison, Jonah escaping the great fish, and, of course, Jesus escaping the grave. So, our 5th and 6th grade kids expressed interest in going to an escape room, and Miss Janie and Mr. Rob made sure that happened.

On Sunday, Nov. 12, we took our WNT Engage56 kids to an escape room that was especially geared toward kids their age. We worked together to earn points in the room by solving various types of active puzzles. It was a really fun time, but my favorite part of the experience was watching how the kids worked together and seeing new friendship bonding happen. I can't say enough about how the kids in attendance reflected Christ in their behavior and their kindness to each other.

"When we practice giving to others, God changes us, and we gain the unexpected blessing of receiving extra joy as we become more like Christ."

The LPC Quilters would like to extend an invitation to all seamstresses in the church and friends of LPC to come and share the joy of quilting. The Quilt-A-Thon is a wonderful time of fun and fellowship for all who join us. Come for a few hours every week. We would love to have you join us. We will be meeting every Tuesday in January for five weeks from 10am to 2pm in rooms 310, 311 and 306 on the third floor of the church. The third floor kitchen will be available to us so plan to come by and have lunch with us. The only skills required to participate are: straight line sewing, ironing, hand sewing, unsewing, or just lend a hand as a support person. All the fabrics will be pre cut into kits so we will begin sewing on day one (1/2/2024). The Mission Committee has designated Warren County Family Promise/interfaith Hospitality Network as the charity that will be the recipient of our quilts again in 2024. The quilters are accepting both monetary donations and donations of 100% cotton fabric. For additional information please contact Sharen Benner, 513-409-5278 or email at ghbenner@yahoo.com.

Read The BIBLE in a Year or Two

We are fast approaching the end of another blessed year at LPC with the very hands of God helping us with the ministry we do for His kingdom. As we approach the NEW YEAR-2024, we earnestly pray that you will receive the sacred calling to engage in reading your Bible again or for the first time.

We have witnessed a theological drift among churches and denominations that once stood firmly on the absolute authority of Scripture but have compromised with the prevailing culture. Eyes are blinded to the reality of Scripture that calls sin, sin. Theology and practice should match, yet we often see the "blind leading the blind." We also pray that your practice of reading your Bible each day will become a priority. With Bible study you are equipping yourselves with a passion for knowing God, for Biblical holiness, and for evangelism and discipleship.

Bible reading plans will be available beginning December 10 and will include | one-year OT/NT overlap | one-year chronological order | two-year plan. As always you can read cover to cover. If you would like plans delivered to you, please call the church office at 513-932-2751 or email admin@lebanonpresbyterian.org.

Christmas Giving at LPC

Giving is a Christmas tradition at LPC as we celebrate our Savior's birth.

Five options are presented this year for your consideration.

ANGEL TREE

Innocent children of local incarcerated parents can be forgotten at Christmas, or their parents may not have the means to send a gift. Angel Tree stands in the gap to try and fulfill a child's wish. Pick a gift tag from the Angel Tree, buy and gift wrap the gifts in the name of 'mom' or 'dad', then you or another 'Angel' volunteer will deliver them before Christmas. If you have any questions or would like to hear of other ways you can help with this wonderful ministry, please contact Sherry Showalter at sherry@lebanonpresbyterian.org or 513-932-2751.

ELIZABETH NEW LIFE CENTER

Crisis pregnancies are lovingly cared for by this local organization. Pick a gift tag from the Giving Tree and buy a present for a precious baby. Gifts aren't gift wrapped as they are distributed yearlong as needed. Gift tags suggest anything from gift cards to outfits to bottles, everything a baby will need in the first months of life. Gifts will be collected from Nov. 26-Dec. 15. For more information please contact: Melody Bain at 513-260-6041 or admin@lebanonpresbyterian.org.

LEBANON CHRISTMAS FOR TOTS

Toys (unwrapped) are being collected for children in need (infant - age 14) and who reside in the Lebanon School district. A barrel will be in the Narthex for collection on Sunday, November 19th, 26th, and December 3. During the week, you may also bring items to the church office. We try to keep gifts of value around \$20-\$25. Gift wrap, hats, and mittens are also needed. Questions? Call Mary Deerrhake at 513-932-2307 or email admin@lebanonpresbyterian.org.

Every year LPC has a Special Offering at our Christmas Eve service. Traditionally one half goes to a U.S. project and the other half is used internationally. This year, the Missions Committee has chosen:

5.7 COMMUNITY CHURCH in inner-city Detroit is starting a S.A.Y. Yes! Center for youth development. This afterschool program will feature tutoring, Bible lessons, life skills, art, and sports for ages six through 11. An anonymous gift was given for the start-up of the program and the Christmas Eve offering will add to it. 5.7 Community Church is a sister church of LPC; this summer our high school and college youth worked there and in the vicinity for their annual summer trip.

INDIA GOSPEL LEAGUE, one of our trusted partner organizations, has a God-inspired goal of building a church in every Indian village, ministering to millions of people, some of whom have never even heard the name of JESUS! Each church will only take about \$1,500 to start, a small enough amount so that we should be able to construct several with the help of our members and families.

This year as you celebrate the joyous and abundant gifts that we are so blessed with in our country, we pray that you will generously give to the less fortunate in our midst and abroad, and remember that all we do is in the name of our Savior, the Lord, Jesus Christ.

A.K.A. SHARING THE GOOD NEWS

REACHING OUT 5-YEAR-OLD STYLE

We are called to love people to Christ so they may experience the joy we find in Jesus. In fact, "Loving People to Christ" is our church motto and is part of our church logo! Do we feel comfortable doing that?

Well, someone invited a kindergarten student to Wednesday Nights Together to enjoy the food, fellowship and WNT Kids. Jesus has a way of touching hearts, so when that kindergartener reached out to her kindergarten teacher and invited her to WNT, who would have thought that was unusual? It was such an easy and natural thing for this child to invite someone whom she loved and cared about to join her. By the way, the kindergarten teacher she invited did take her up on her invitation. Did this little girl feel the love of Jesus and want to share his love with someone special to her?

Perhaps you would like to feel more comfortable Loving People to Christ and fulfilling the great commission (Matthew 28:18-20): "Go therefore and make disciples of all nations...". To help you with that, Winter Wednesday Nights Together will offer a 10-week class starting January 10, 2024, called "Loving People to Christ".

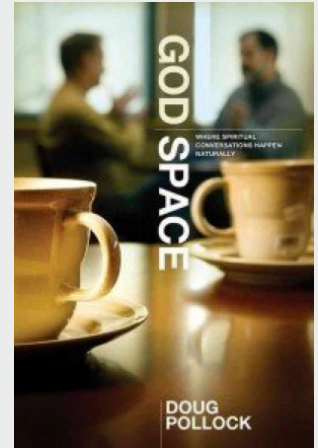

That we might love our neighbors and share the love of Christ with others, the class will give us tools to cultivate a spirit of evangelism in our culture at LPC. The book we will use says it all "Organic Outreach for Ordinary People -Sharing Good News Naturally".

Objectives of the class:

- increase compassion for lost souls
- increase the quantity and quality of our spiritual conversations
- let God have his way
- be comfortable sharing your story and the gospel
- awaken the Holy Spirit in all of us to Love People to Christ
- foster culture of evangelism at LPC

Presenters are Joe McKenzie, John/Fran Morris, James Martin, Karen Kilpatrick, Terri Catanzaro, Jim/Trish Garrett

HOWDY FROM HIDDEN CANDY RANCH!

This past October was our third annual Candy Hunt outreach event. This is a specific event geared towards inviting the community into our church for a fun and free time to gather candy and have a trick or treat like experience in a safe and welcoming environment. Past themes have been movies and a carnival! This year was a western town we lovingly named Hidden Candy Ranch.

Throughout all three levels of our church there were rooms decorated for the theme. We had horse races, a jail (complete with a bandit on the run!), sharp shootin' with nerf guns, slingshots, bull roping, and so much more! The kids had a wonderful time finding all the rooms and collecting candy as they went. Everyone ended up in the Ark, where there were root beer

floats, bounce houses, and all the snacks you could want.

It was such a blessing to yet again be a part of such a successful event. I had a parent tell me that her child had started asking her if they were going to the "super fun church again" as soon as they started talking about Halloween. It took an army of volunteers to decorate all of the rooms, run them, welcome people, give directions, provide root beer, and so many more details. Thank you to each one of you who helped out in any way. We could not pull off this kind of event without every single one of you.

While hosting the Candy Hunt is so much fun, our ultimate goal is for every family who walks in the door to meet Jesus. These type of events provide us with a relation-

al entry point, which we can then build off of. We have had a number of families attend our Wednesday Night Together program because of first meeting us at the Candy Hunt. We are also continuing to build relationships with the Preschool families and teachers as they become more involved each year.

We hope each one of you who was able to attend had as good of a time as we did! It was a blessing to serve our community in such a tangible way. Thank you again to each person who donated candy, ran a room, or welcomed in a family. These little moments of tangible love and care for our community is just another example of how we at LPC are trying to Love People to Christ.

Thank You

On behalf of the students and staff of the Warren County Career Center, thank you to the Lebanon Presbyterian Church congregation so much for the generous donations to restock our student food and personal hygiene items pantry!

The timing was perfect since this is the time of year that student needs are rising. We truly appreciate the generosity that you are showing to the student community, this benevolent donation positively impacts the entire community.

Thanks again!

Dear IHN Volunteers,

On behalf of the Board of Directors of the Family Promise of Warren County, I want to thank you for your help during this past week. Without the support of churches such as you, we would not be able to serve the people of our community who are in need and without a home.

Your generous support has touched many lives. The families that you have supported this past week speak well of their experiences:

Thank you for helping my family and I. We appreciate everything that's been done for us. We will forever cherish all of the blessings as well.

*Thank you!

*Thank you for the food for me and my unborn child.
You make us happy.*

Thank you so much for everything this week. We appreciate all the delicious food.

*Thank you,

Dear Lebanon Presbyterian Church,

Thank you for your very generous donation of \$3,000 for **Feed Nicaragua - Lebanon**. We appreciate that you are joining many local groups and individuals to help pack nutritious meals for children who suffer from food instability in Nicaragua.

This year, we are excited to share that your financial support will extend beyond our packed meals by helping fund local food production. In addition to sending meal packets, our Nicaragua partners will use a portion of our donations for sustainable, community based, and locally-grown food.

Thank you again for your giving to truly make a difference in the lives of so many children and families in Nicaragua.
