

POSITION

Director of Worship and Music Ministry

OVERVIEW

Lebanon Presbyterian Church in Lebanon, Ohio is seeking the person God has chosen to be our next Director of Worship and Music Ministry. LPC is a two hundred eighteen-year-old congregation in the heart of an historic city in the Midwest. We are a member of the Evangelical Presbyterian Church, and our mission is to share the love of Christ with people in Lebanon and throughout the world. With an extensive mission program locally and throughout the world, we have an exceptional level of involvement from members and a dedicated staff. We currently worship God in awe and gratitude in two Sunday morning worship services: one in the current 1859 sanctuary led by chancel choir and recently rebuilt pipe organ, and one in our multifunctional contemporary center led by praise band.

SUMMARY DESCRIPTION:

To be a developer of worship through a broad love and knowledge of the music and liturgy of the church in various styles and varieties with the ability to use all in the crafting of worship to the glory of Christ under the primacy of the Word of God. To be a developer of people, as a skilled musician who loves people and sees this role as mentoring, equipping, and training up all our musicians to grow, not only in their craft, but in their relationship with Jesus. Someone who sees this ministry as a means of growing up disciples of Jesus.

QUALIFICATIONS:

MINIMUM

- Actively growing in God's grace through spiritual disciplines and study of scripture and committed to leading others in worship of our triune God.
- Minimum bachelor's degree, with preference for majors related to music, worship studies, or theology.
- Training and experience in leading choral and instrumental ensembles.
- Strong musical proficiency in voice and at least one musical instrument.
- Proficiency in arranging and composing.
- Experience leading teams in worship ministry, with passion and patience for mobilizing volunteers toward a unified vision.

DESIRED

- Five or more years' experience planning and leading sacramental & liturgical corporate worship
- Experience leading a broad variety of worship music styles.
- Comfortable working with and managing appropriate technology.
- Joyfully collaborative

SPECIFICS:

- Full time position
- Reports to the Pastor as Head of Staff
- Supervises Organist, Piano accompanist, A/V Systems Manager, and Livestream Manager
